PERRY DAVIS'S PAIN-KILLER.

RHEUMATISM, NEURALGIA,
SPRAINS, PAIN IN THE BACK
AND SIDE.

There is nothing more painful than these diseases; but the pain can be removed and the disease cured by use of PERRY DAVIS'S PAIN-KILLER. This remedy is not a cheap Balm. Petroleum product, that must be kept away from fire or heat to avoid danger of explosion, nor is it an unfired experiment that may do more harm than good.

PAIN-KILLER has been in constant use for forty years, and the universal testimony from all parts of the world is, IT NEVER FAILS. It not only effects a permanent cure, but it relieves pain almost instantaneously. Being a purely vegetable remedy, it is safe in the hands of the most inexperienced.

The record of cures by the use of PAIN-KILLER would fill volumes. The following extracts from letters received show what those who have tried it think:

EDGAR CADDY, Watrous, Minn., says: About a year since my wife became subject to severe suffering from rheumatism. Our resort was to the Pain-Killer, which speedily relieved her.

CHARLES POWELL writes from the Saline Home, London: I had been afflicted three years with neuralgia and violent spasms of the stomach. The doctor at Westons Hospital gave me a case in despair. I tried your Pain-Killer and it gave me immediate relief. I have regained my strength and am now able to follow my usual occupation.

G. H. WALWORTH, Saco, Me., writes: I had been afflicted three years with neuralgia and violent spasms of the stomach. The doctor at Westons Hospital gave me a case in despair. I tried your Pain-Killer and it gave me immediate relief. I have regained my strength and am now able to follow my usual occupation.

E. YORK says: I have used your Pain-Killer for rheumatism and have received great benefit.

BARTON SEAMAN says: I have used your Pain-Killer for thirty years, and have found it a never-failing remedy for rheumatism and lameness.

Mr. BUDGETT writes: It never fails to give relief in cases of rheumatism.

PHIL GILBERT, Somerset, Pa., writes: From actual use, I know your Pain-Killer is the best medicine I can get.

All druggists keep PAIN-KILLER. Its price is so low that it is within the reach of all, and it will cure many times its cost in doctors' bills. 25c., 50c., and \$1 a bottle.

DEATH OF AN OLD CITIZEN.—Mr. Lewis L. Barnes died at his residence in Hanover county on Sunday night, in the seventy-seventh year of his age. Mr. Barnes was a resident of this city for nearly half a century, and was for many years a member of the firm of J. F. & L. Barnes, founders and machinists. During this time he was one of our most public-spirited citizens, taking an active part in all measures for the welfare of the city, subscribing liberally of his own means to the earlier works of internal improvement centering here. The survivors of the old Richmond Light Infantry Blues will remember him as a member of the company, and as one of the most honored corps, while those who were associated with him in the old and in the present fire departments of this city will bear testimony to his fidelity and ability as private, captain, and chief. Doing well his part in all the relations of life, he won the love of all who knew him, and passed his better half happily in a large circle of friends.

His funeral will take place this morning at 10 o'clock from the Second Baptist church.

STRANGE DISCOVERY OF A BALL.—Several weeks before Christmas a son of William J. Gentry, Esq., was, during the careless handling of a pistol by a comrade fifteen years old, shot through the cheek. The wound caused considerable trouble at first, but finally healed. Sunday young Gentry visited Mr. T. B. Williams's apothecary, corner of Seventeenth and Broad streets, and told him he was convinced by the tickling sensation experienced by him that he had a fish-bone in his throat, and desired him to examine with such instruments as were at command. The tweezers used by Mr. Williams in the throat of young Gentry disclosed the ball which had been shot into his face before Christmas. It was "eliminated," to the great joy of the young custodian of the leaden treasury.

SERIOUSLY INJURED.—Yesterday morning a sailor named Peter Johnson, on board the schooner Mary E. Stockham, lying at the Chesapeake wharves, fell from the mast-head to the deck of the vessel, sustaining injuries which will probably result fatally. The unfortunate man was at the time standing on the rope on which he was hanging broke. The city ambulance was called, and the wounded man taken to the Retreat for the Sick, and examination showed that one of his legs was broken and that he was badly bruised about the face and body.

FOREIGN CLEARANCES.—The Dutch barkentine Ipe Ipeus, A. Houwen master, 233 tons, was cleared at the custom-house yesterday for Rio Grande do Sul, with 2,500 barrels of flour, shipped by Messrs. Dunlop & McCane, valued at \$15,520.30.

The British brig Robbery, Church master, was also cleared yesterday for Havana, with 242 tons of coal, shipped by Gervais Storrs, valued at \$1,822.

TO LOAD FLOUR FOR BRAZIL.—The Norwegian brig Gyner, Gjerensen master, arrived here yesterday from New York, to load flour for a Brazilian port. She is consigned to Messrs. Dunlop & McCane.

The German bark Braziliens, Meinhardt master, was reported below last evening, bound for Richmond, to be loaded with flour for Rio Janeiro by the Haxall-Crenshaw Company.

SCHEMATIC COURT OF APPEALS.—Sandertin vs. Baxter. Submitted.

Boiland vs. Barrett. Argued by John J. Burroughs, Esq., for defendant in error and submitted.

William T. Atkins, Esq., and Angus McD. Green allowed to practice as counsel in this court.

A Sprightly Discussion in the Senate Over the Two Anti-Coupon Bills.

One of the Bills Passed—The Other to be Passed To-Day—No Special Committee on Tobacco Inspections—Dueling: A Bill That Will Stop It, So Some People Say—Amount of Money Paid Out on Account of Maimed Soldiers—Accused Who May Testify in Their Own Behalf—Liability of Common Carriers—Personal, Etc.

There was a sprightly discussion in the Senate yesterday when the two bills to prevent the reception of coupons for taxes came up. One of these bills prohibits the officers of the Commonwealth from receiving any thing but coin and currency for taxes; the other provides that no coupon shall be received for taxes until it is first ascertained that it is a genuine and not a spurious coupon. The preamble to this bill alleges that there are in existence bonds "which are spurious, stolen, or forged; which bonds bear coupons in the semblance of genuine coupons, receivable for all taxes," and "whereas genuine coupons from genuine bonds, after having been received in payment of taxes, debts, and demands, are fraudulently reissued and received more than once in such payments," &c.; therefore, to protect the bondholder and the Commonwealth, each coupon shall be tested before the "Little Gleaners" of the church. Dr. Hatcher, the pastor of this church, is absent, meeting engagements to lecture and preach in New York.

At the First African church the communion was administered in the afternoon to a packed house. Nine were received into the fellowship of the church.

At Venable-Street Baptist church, in consequence of the temporary indisposition of the pastor, Rev. R. H. Pitt, the pulpit was occupied at the morning service by Rev. A. J. Reamy and at night by Rev. W. J. E. Cox, both of Richmond College.
